Question 4

Situation: Your homeroom is deciding on your class' theme for the next school festival. The whole class will work together to prepare and any money raised will go to the school council. There are four ideas on the table. You need to decide which ONE to pursue.

School Festival Theme/Activities

Theme/Activities (choose ONE)

Escape Room

Everyone loves a mystery!
The class can create a challenging escape room with puzzles and clues for festival visitors to solve. It's fun, interactive, and guaranteed to attract attention.

Talent Show Stage

Show off your skills!
Transform your classroom into a stage where students can perform music, dances, comedy, or other talents. A lively way to celebrate creativity and entertain festival visitors.

Haunted House

Dare to scare! Turn your classroom into a spooky haunted house filled with eerie decorations, creepy sound effects, and scary surprises. Visitors will love the thrill, and the class will have fun creating a chilling atmosphere.

Cultural Experience Booth

Celebrate diversity! Create a booth where visitors can experience different cultures through games, traditional crafts, or food samples. It's a fun and meaningful way to share and learn about traditions.
