

Examiner's Script (Nov 23, 2017)

For the board:

In pairs, you are going to have 4 short speaking tasks.
The examiner will tell you when to start and stop each task.
If you are talking and the examiner tells you to stop, please stop talking immediately. You won't lose points for not finishing a question.
Listen carefully to the instructions for each task.

Speaking intro:

"In pairs, you are going to have 4 short speaking tasks.
I will tell you when to start and stop each task.
If you are talking when I tell you to stop, please stop talking immediately. You won't lose points for not finishing a question.
Remember, we are looking at communication, so make sure you both get a chance to talk during discussions!
Listen carefully to the instructions for each task, and good luck."

Question 1: (2 minutes)

Please turn over the papers for question 1

Ask each other the 3 questions. Remember to give more details to your answers.

Question 2: (2~3-minutes)

Please turn over the papers for question 2

Your homeroom teacher told your class that they can go to Tokyo for the afternoon at the end of term. You have to decide what you are going to do.
Look at the ideas below. Talk about each idea – what are the good and bad points of each idea.
At the end, decide what you are going to do.

Question 3: (1~1.5 minutes)

Please turn over the papers for question 3

Take turns making one sentence each about photo 1. When you have finished talking about photo 1, start making sentences about photo 2.

Question 4: (2 minutes)

The photos showed young people studying. Now, I'd like you to talk together about the topic,

Where and how I DO and DON'T like to study.

Question 1

Introduction Questions

1. What's your name?
2. What is your favorite subject at school?
3. Which do you like better, watching movies at home or going to the movie theater?

Hint: Add some details to your answers.

Question 2

Making a Decision

Your homeroom teacher told your class that they can go to Tokyo for the afternoon at the end of term.

You have to decide what you are going to do.

Look at the ideas below.

At the end, decide what you are going to do.

a movie theater

a museum

the zoo

a game center

shopping

Hint:

Talk about each idea. What are the good and bad points of each one?

Question 3
