- Writing equipment

Time allowed

Instructions

- Use a pencil or a black ball-point pen.
- Fill in the box at the top of this page.
- Write your answer in the space provided. Answers written in margins or on blank pages will not be marked.
- Do all rough work and essay planning on page 3 of this book. Cross through this planning at the end, to show that you do not want it to be marked.

Information

- The maximum mark for this paper is 60.

Plan and write an essay in response to the prompt below. Use the essay as a chance to show how clearly and effectively you can express and develop ideas. Present your thoughts logically and precisely. Include evidence or examples to support your point of view. A plain and natural writing style is recommended. The number of words is up to you, but quantity is less important than quality.

Use page 3 for planning, and pages 4 and 5 for your essay. You'll have enough space if you write on every line. Write neatly, because handwriting that's hard or impossible to read will decrease your score.

If you finish in less than 40 minutes, check your work.

Essay Question

- C.E. Ayers
