DO NOT MOVE ON UNTIL INSTRUCTED TO DO SO BY THE TEACHER

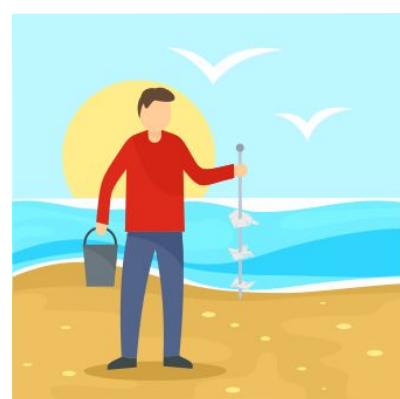

Question 4

Situation: Your school is starting a new club that plans to do something to help the environment. A committee of students have come up with four possible activities and you need to decide which ONE to pursue.

Environmental Impact Club

Activity Ideas (choose ONE)

Beach Cleaning

Twice a year, once in spring and once in summer, students will choose a beach and gather there to pick up trash.

Vegetable Garden

The school has a small green area that could be converted into a vegetable patch. Students could learn how to grow their own food.

Recycle Campaign

Design and run a campaign in school to bring more awareness to the importance of recycling. Put up posters, give talks in homerooms, and place new recycle bins around the school.

Local Clean Up

There are many convenience stores, restaurants, and shops near the school so a lot of trash collects. Three times a week, students will walk around the town picking up the litter.

DO NOT STOP UNTIL INSTRUCTED TO DO SO BY THE TEACHER

Question 3

The photos show people celebrating.
Talk about different things people usually celebrate and how they celebrate them.
